

This season we all have something to be thankful for. Share your love and support by remembering and thanking a service member who isn't home for the holidays. Cards can be mailed to the address below to support the A Million Thanks campaign. Cards postmarked by December 1 will reach our service members in time for the winter holidays. Get together with a group of friends and spend a night writing to and remembering those who are sacrificing their time with family and friends for us.

A Million Thanks

Q: Why did they let the
turkey join the band?

DID YOU KNOW?

---*A reported 2,013 students are enrolled at BGHS

—The name "Buffalo Grove" is thought to have come from when the Indians observed buffalo traveling daily through the town from what is now Wheeling to Long Grove

—*Most BGHS students approve of their peers who choose NOT to drink at a party where others may be drinking

—Buffalo were found drinking and resting midday in the grove of trees along what is now called, Buffalo Creek

—*91% of BGHS students don't think it's ok to pressure their peers into drinking.

—The first tribe to settle in Buffalo Grove was the Potawatomi Indians

*Based on your BGHS
2014 IYS, N=1432

Mr. Trow

Birthday: February 3

How are you involved at BGHS?

I teach science and take stats for the football program.

Why did you choose to join the Social Norms Team?

I believe it can make a difference in students' lives.

One message you want to share to BGHS students is...

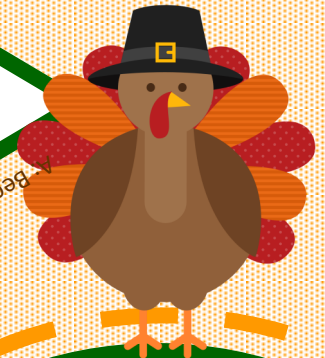

There is always something more positive that you can do besides drinking and doing drugs.

DINNER TIME!

Quality family time is essential for personal development. Bonding with family members through healthy conversation creates strong, supportive ties that help students in school, co-curricular activities, and life! 72% of BGHS students sit down and eat dinner with their families at least three times a week. As Thanksgiving approaches, find ways to continue to spend quality time with your family both before and after the holiday.
